

Camp Availability

Beaver Creek Camp has existed for over fifty years, supported by Presbyterian churches in the Upper Ohio Valley. The primary purpose is to provide Christian Camping during the summer months.

Camp facilities are available for other uses during select weeks throughout the summer when summer camp is not in session.

Many weekends are also available during the summer, along with most days during the fall and spring months.

Available dates can book up as early as a year in advance, so early reservations are recommended to secure facility use.
