Breakthrough!

At Beaver Creek Camp

What would it have been like to meet Jesus? The gospels provide a variety of accounts of those who encountered Jesus during his lifetime. Some reacted negatively, actively seeking to stop his ministry. Other had no reaction, choosing to ignore him or walk away. But for many others, their encounter with Jesus was a breakthrough – a transforming experience that changed their way of seeing God, themselves, and the world around them. Beaver Creek Camp provides a unique place apart from the distractions of television, video games, the internet, and the busy lifestyle that tend to leave us all seem like we are chasing our tails. For many, Beaver Creek Camp fosters the opportunity for a “breakthrough” in personal faith.

With this in mind, summer camp **2009** will be an exploration of faith, with FUN activities built around the following Bible lessons:

<u>Theme</u>	<u>Scripture Connection</u>
Jesus Welcomes:	Mark 10: 13-16 Jesus and the Children
Jesus Listens:	Mark 10: 46-52 Jesus and the Blind Man
Jesus Show s Compassion:	Luke 5:17-26 Jesus and the Paralyzed Man
Jesus Loves:	Luke 10: 25-37 Parable of the Good Samaritan
Jesus Transforms:	Luke 13: 10-17 Jesus and the Crippled Woman
Jesus Invites:	Luke 14: 12-24 Parable of the Great Banquet

As the tradition continues with our 2009 summer camp program, many campers will come to camp this summer, finding opportunities for spiritual growth and building faith. These experiences are planned carefully and prayerfully with your child's mental, physical, and spiritual well being in mind. The outdoor setting at Beaver Creek allows for a unique experience, free from the distractions of our fast paced lives, television and computers. What campers find instead is a true sharing of Christian community, friends in the faith, and what could very well be the first time they have considered their personal relationship with God.

Our camp staff works together in ensuring that each camper's experience is happy, healthy, and safe. We seek counselors who are positive role models. Studies reveal that "the 24-hour living relationship with campers allows counselors in a typical week of camp to have more time to minister to campers than youth pastors have in a year, and as much quality time as parents have in six months." With this in mind, the goal of Beaver Creek Camp is to provide your child with a safe, exciting and nurturing experience that will contribute to the growth of each camper's Christian character.

Beaver Creek Camp is an extension of the local and surrounding Presbyterian churches in the Upper Ohio Valley. We depend greatly on the support of these churches by way of finances, volunteers and participation. With their help, the tradition lives on, making it possible to continue the work God has called Beaver Creek Camp to do.

Mission Statement

Beaver Creek Presbyterian Church Camp was founded in 1953 and exists within the unique natural setting of God's creation. The mission of the camp is to allow God's people to grow in their spiritual journey. Our summer camp program enables children & youth to grow in their faith and commitment to God in Christ, renew friendships, make new friends, and enjoy a number of small and large group activities. Participation in our camp program is open to all persons regardless of race, color, national origin, sex, handicap, age or religious affiliation.

The first church camp session at Beaver Creek Camp was held in June of 1954. The camp was directed by Rev. Gene Toot, who was just out of Seminary at the time. Rev. A. Laten Carter assisted. Approximately 75 campers attended this first camp. Thousands have attended since.
